LANGUAGE SKILLS

- **Swedish:** Native language
- **Italian:** Native language
- **English:** Fluent
- **Spanish:** Basic knowledge

WORK EXPERIENCE

2011-2012 | Assistant coach | GK Värmdö

I was an assistant coach for the gymnastics group GK Värmdö, for children who were between 5-9 years old. I was responsible for the warm-up and assisted the coach. This experience has made it easy for me to improve my ability to provide constructive feedback.

2016 | Salesman | Stora Coop Västberga

During the two weeks I worked at Coop, I learned the sales assistant role such as fronting, meeting different types of customers and filling the shelves upon delivery. This was my first insight into the world of work.

2018 | Cashier manager | Stora Coop Västberga

During the years I have worked at Coop as a cashier manager, I have developed my social skills, have learned to act under pressure and I have improved my role as a leader.

2019 | March | Volunteer work | Women in tech

On March 8, I volunteered for Women in tech (WIT). My main task was to welcome all speakers and guests and make sure that everyone got their name tag. In addition, I got to listen to the inspiring speeches and network with the guests. It was this day that my interest in technology and programming grew.
